

# Café des AMIS du Mexique

All our food is homemade and freshly cooked by our chefs using authentic Mexican recipes and inspired by our travels through Mexico and South America. Whilst we continue to innovate, some of our recipes have remained unchanged for 30 years.

Salsas are at the heart of Mexican cuisine. They can vary from mild to ferociously hot. We use 10 different chillies to create all of our sauces and salsas. We offer a range of salsas made fresh every day allowing you to decide how hot you dare to go!
